Answer

(a) & (b) The number of development schemes/ projects for the North-Eastern States during last three years under various heads are given at Annexure. Data regarding time overrun is given at column 4 of the Annexure. However, data regarding cost overrun is not centrally maintained, as the release by this Ministry is limited to the cost reflected in the initial concept/proposal.

(c) The projects are monitored through Quarterly Project Reports(QPR), field visits by Area Officials/Nodal Officials from DoNER, State Govt. officials and inspections made by the Independent Quality Monitors (IQMs). Project Portal (nlcpr.mdoner.gov.in) has recently being launched for monitoring of projects under NLCPR.

(d) Under the "Capacity Building and Technical Assistance" programme, 14 institutions have been finalised for training of 2715 persons in the current year.
